

NATIONAL GEOSPATIAL-INTELLIGENCE AGENCY

U-020/04-PRG

19 July 2004

Mr. Jose Alcorta
Secretariat, ISO/IEC JTC1/SC 24
British Standards Institution - DISC
389 Chiswick High Road
London W4 4AL
United Kingdom

Dear Mr. Alcorta:

This letter extends permission to ISO, IEC and the SEDRIS Organization to normatively reference the following document:

US National Geospatial-Intelligence Agency (NGA).
Department of Defense World Geodetic System 1984 - Its Definition and Relationships with Local Geodetic Systems [online]. 3rd ed., amend. 1. Washington: NIMA, 2000. This document is available from World Wide Web:
<ftp://164.214.2.65/pub/gig/tr8350.2/wgs84fin.pdf>. Technical report TR 8350.2

Approval to incorporate the reference in ISO/IEC 18026 Spatial Reference Model is provided with the understanding that the following statement is applied:

"The following referenced document(s) are indispensable for the application of this document. For dated references, only the edition cited applies. For undated references, the latest edition of the referenced document (including any amendments) applies."

Sincerely,

THOMAS M. SHEA
Colonel, USA (Ret.)
National Geospatial-Intelligence Agency (NGA)
Chief, Geospatial Sciences Division
Office of Targeting and
Transnational Issues
